

MEDIA INFORMATION

Media interest in Virginia Tech football and Coach Frank Beamer swelled during Tech's 11-0 regular season in 1999 and the Hokies' appearance in the Sugar Bowl national championship game.

Hokie Spirit!

What Is a Hokie?

That's the most often-asked question in Virginia Tech athletics. The answer leads all the way back to 1896 when Virginia Agricultural and Mechanical College changed its name to Virginia Polytechnic Institute. With the change came the necessity for writing a new cheer and a contest for such a purpose was held by the student body. Senior O.M. Stull won first prize for his "Hokie" yell which still is used today. Later, when asked if "Hokie" had any special meaning, Stull explained the word was solely the product of his imagination and was used only as an attention-getter for his yell. It soon became a nickname for all Tech teams and for those people loyal to Tech athletics. The official school colors — Chicago maroon and burnt orange — also were introduced in 1896. They were chosen because they made a "unique combination" not worn elsewhere at the time.

Spirit units at Virginia Tech include (clockwise, from top left) the HighTechs dance team; the Hokies' lovable mascot, the HokieBird; the cheerleading squads; the Marching Virginians band, known as "the Spirit of Tech"; and the Virginia Tech Corps of Cadets regimental band, the Highty-Tighties. Tech and Texas A&M are the only two schools in the country with a full-time corps of cadets as part of a larger civilian student body.

2002 Media Information

The Press Box

The press box at Lane Stadium/Worsham Field is comprised of five levels. Newspaper and television reporters, the radio network crews and statisticians work on the eighth level. Space in other areas is assigned as follows: Sixth level-University President's box; Seventh level-Athletic Fund Box; Ninth level-Public address announcer, scoreboard operators, Tech coaches' phones, private boxes; Roof-Television broadcast booth, team coaches' show and film crews, phones for visiting team's coaches and overflow area for media and pro scouts. The press box is accessible by an elevator which is centrally located underneath the west stands and runs to levels six through nine. Steps from the ninth level provide access to the roof area. Admission to the press box is by credential only. Smoking is not allowed in the stands or in any enclosed area of Lane Stadium, including the press box and rest rooms.

Press Credentials

Requests for press credentials are screened with care due to the demand for credentials and to ensure a working press box. Traditional print, television and radio (media agency) regularly assigned to cover Virginia Tech and the visiting school will

receive first priority, as well as national news-gathering agencies. Credentials for on-line Internet sites will be granted to Virginia Tech operated Web sites, the visiting team's official Web site and the BIG EAST Conference's official Web site.

Requests should be made in writing on company letterhead at least 10 days prior to the game to guarantee consideration. Requests should be directed to Dave Smith, sports information director. Requests the week of the game will be honored on a space-available basis and will be left at the Will Call window at Lane Stadium/Worsham Field if they cannot be mailed.

Spouses, dates, children, equipment carriers and non-workers are restricted from the press box, sidelines and locker rooms. Any abuse of a working credential will result in the media agency losing credential privileges.

In some instances due to space limitations meeting the criteria identified below does not guarantee credentials for every game.

Accreditation Guidelines

- Only full-time, salaried employees intending to provide actual game coverage may receive a credential.
- A requesting media agency must represent a collective, organizational editorial voice, not simply the

offerings of a single individual.

- Membership in a writer's association does not automatically qualify an agency for credentials.

- A media agency may assign one of its credentials to its on-line entity.

- An on-line entity, not associated with a traditional media agency, may qualify for one credential, subject to the following conditions:

An on-line entity may receive a credential only if its own full-time staff writes a majority percentage of that site's own material.

On-line entities that focus primarily on Virginia Tech Athletics and also sponsor message boards or chat rooms, may receive credentials provided they adhere to a policy that requires that a posted message or opinion is identified with the actual name and city of the individual.

Any on-line service that is recognized as an outlet intended primarily for the purpose of delivering news related to the recruitment of student-athletes will not qualify for credentials.

On-line entities will not receive photography credentials.

On-line entities (other than those identified above) registering 20,000 legitimate unique users per month in each of the past 12 months will be given first consideration.

"Real-time" transmission of digital images, audio and data, including live game play-by-

play and statistics, of any home game is the exclusive property of Virginia Tech and/or its rights holder(s). "Real-time" is defined as "live continual coverage or description of an event."

Media Will Call

In most cases, credentials will be mailed. Credentials may be picked up through Friday on a game week from secretary Donna Smith at the Sports Information Office. Credentials not mailed or picked up will be held at the Will Call window located a few steps from the main entrance to the west stands of Lane Stadium/Worsham Field.

Photo Credentials

The NCAA has established a control policy to keep the field free from congestion. Only photographers on assignment and members of the television media are given photo credentials. Freelance or amateur photographers will not be issued credentials. All photographers must work outside the 30-yard lines as prescribed by the NCAA. Photographers are not permitted in the bench area.

For those who need to transmit photos electronically, a work room for photographers, complete with phone lines, will be available. This room is located in the June Oblinger Shott Media Center, on the

Game day media parking is available on a limited basis in a media-designated lot near the

Burrows-Burleson Tennis Center. The entrance to this lot is on Tech Center Drive off of Southgate Drive. Requests for parking credentials should be submitted to Dave Smith, sports information director. If you plan to visit the Tech campus during the week, parking information is available on page 319.

Press Box Services

Complete team and individual statistics, a play-by-play, drive chart, defensive stats and postgame coaches' quotes will be provided. An inside public address announcer keeps the media abreast of play-by-play, records that are broken and game notes. A pregame meal is served, starting approximately one and one-half hours before kickoff and refreshments are available throughout the game. Postgame stats will be faxed upon request.

Telephones

Long distance telephones will be located on the working press tables. These phones require collect calls or a credit card for billing and are designated for pool use. Media members desiring their own telephones should submit requests to Virginia Tech CNS (Shannon Hall at (540) 231-4350 or 6460, ehall@vt.edu). If you request your own phone, please notify the sports information office so we can give the phone company the proper location. Please make your requests well in advance of the game.

Postgame Interviews

With the construction of the south end zone addition, all postgame interviews will take place in the June Oblinger Shott Media Center, located on the ground level, beneath the new edifice. After a short cool-down period, Coach Frank Beamer and selected players will meet with the news media after each home game. A separate room, located directly across the hall from the Tech interview room, is available for interviews with the coaches and players from the visiting team. Directions to both interview areas will be available in the press box or through the SID Office. Media access to visiting players will be determined by the visiting SID.

longer receive weekly releases by mail. Tech's football statistics will be available on the same day of home games and the day after road games. Official defensive statistics are generally available by 6 p.m., the day after all games. Notes on the upcoming game will be updated late Monday afternoon.

BIG EAST on the Web

The BIG EAST site on the Internet is available at www.bigeast.org. The site contains current information on all facets of the BIG EAST Conference. In addition, in-game scores for football contests involving BIG EAST teams will be updated in-progress. Please contact Rob Carolla in the BIG EAST media relations department for more information.

Interview Policy

Virginia Tech's coaches and players will be available throughout the season for interviews with members of the news media. It is important, however, that all requests for interviews be made through the

Tech Sports Information Office.

All requests for players to appear at the press luncheons must be submitted to Bryan Johnston by noon on Monday of that week. You can call him at 540-231-3387 or e-mail him at blj@vt.edu. Any other requests for individual interviews, whether by phone or after practice, need to be submitted by noon on Monday as well. Player availability for the press luncheons is determined by the players' class and lifting schedules; some players may not be available. In that case, all efforts will be made to get the player at some point during the week.

Any media member wishing to attend practice and talk to a specific player or coach needs to contact the SID Office the day before to allow time to contact the desired people.

At no time will a player's phone number be given out and media are asked not to call the players at home or ask for their contact information.

Weekly Interview Session

On Tuesdays prior to each Tech game, Coach Frank

Beamer and select members of the Tech team will be available to meet accredited media in the Bowman Room, located on the fourth floor of the Jamerson Athletic Center. A light lunch will be available at approximately 12:30 p.m. Coach Beamer will begin the interview session at 1 p.m., followed by player interviews at approximately 1:20. The interview session will conclude by 2:30 p.m.

The press luncheon for the West Virginia game, which will be played on a Wednesday, has yet to be determined. An announcement regarding that press conference will be made at a later date.

The Tech Hotline

Coach Frank Beamer will be featured each week on The Tech Sports Hotline. These taped telephone reports will begin the Monday before the first game and will be updated each Monday afternoon during the season. The telephone number for these reports is (540) 232-3719.

Calling Coach Beamer

The best way to reach

Coach Frank Beamer, other than on the BIG EAST Teleconference on Mondays or at his weekly press interview session on Tuesdays, is through the Sports Information Office at (540) 231-6726.

BIG EAST Teleconference

The BIG EAST football coaches will be featured on a weekly teleconference, beginning on Monday, Aug. 27 and continuing each Monday through Nov. 19. Each coach will be available for 10 minutes. The teleconference number will be mailed to media members who cover Virginia Tech football. Members of the media can also inquire about the number by contacting The BIG EAST Conference Office at (401) 453-0660.

About Our Name

While the full name of the school is Virginia Polytechnic Institute and State University, the school is commonly referred to as just "Virginia Tech." Founded in 1872, as Virginia Agricultural and Mechanical College, the university changed its name to Virginia Polytechnic Institute in 1896. Fans of the athletic department, as well as media covering the Hokies, shortened the name to VPI, and it eventually became Virginia Tech. The "State University" was added in 1970 to make the official title what it is today.

Those covering Hokie athletics are asked to refer to the university as simply "Virginia Tech." Virginia Tech University, VPI and SU, VPI&SU, VT or VA Tech are not recognized names and should not be used.

REACHING FOR EXCELLENCE

There is no better example of Virginia Tech's commitment to excellence in facilities than Lane Stadium/Worsham Field. With more than 11,000 new seats in place for the 2002 season, the next step calls for an expansion and stunning new look for the West side. Surrounding the stadium is an outstanding array of facilities, including indoor and outdoor practice fields, as well as spacious athletic performance, academic support and training areas.
