2004 Media Information

Sports Information

Football media services are coordinated by Sports Information Director Dave Smith and Assistant Sports Information Director Bryan Johnston. Please direct interview requests for any of the coaches, as well as credentials to Smith. All player interview requests should be made to Johnston.

For photo requests, please contact Assistant Sports Information Director Dave Knachel. The Sports Information Office is located on the fourth floor of the Jamerson Athletic Center, which is connected to Cassell Coliseum and the Merryman Athletic Center. The office is next to the Bowman Room.

All media members coming to campus during the week need to stop by the Visitor's Center, located on Southgate Drive across from the "VT shrubs" to pick up a visitor's parking pass. Media will be responsible for paying any fines they incur while on campus.

The Press Box

The press box at Lane Stadium/Worsham Field comprises five levels. Newspaper and television reporters, the radio network crews and statisticians work on the eighth level. Space in other areas is assigned as follows: Sixth level — University President's box; Seventh level — Athletic Fund Box; Ninth level — Public address announcer, scoreboard operators, Tech coaches' phones, private boxes; Roof — Television broadcast booth, visiting team coaches' show and film crews, phones for visiting team's coaches.

The press box is accessible by an elevator which is centrally located underneath the west stands and runs to levels six through nine. Steps from the

ninth level provide access to the roof area.

Admission to the press box is by credential only. Smoking is not allowed in the stands or in any enclosed area of Lane Stadium, including the press box and rest rooms.

Press Credentials

Requests for press credentials are screened with care due to the demand for credentials and to ensure a working press box. Traditional print, television and radio (media agency) regularly assigned to cover Virginia Tech and the visiting school will receive first priority, as well as national news-gathering agencies. Credentials for on-line Internet sites will be granted to Virginia Tech operated Web sites, the visiting team's official Web site and the Atlantic Coast Conference's official Web site.

Requests should be made in writing on company letterhead at least 10 days prior to the game to guarantee consideration. Requests should be directed to Dave Smith, sports information director. Requests the week of the game will be honored on a space-available basis and will be left at the Will Call window at Lane Stadium/Worsham Field if they cannot be mailed.

Spouses, dates, children, equipment carriers and non-workers are restricted from the press box, sidelines and locker rooms. Any abuse of a working credential will result in the media agency losing credential privileges.

In some instances, due to space limitations, meeting the identified criteria does not guarantee credentials for every game.

Additional Accreditation Guidelines

- Only full-time, salaried employees intending to provide actual game coverage may receive a credential.

- A requesting media agency must represent a collective, organizational editorial voice, not simply the offerings of a single individual.

- Membership in a writer's association does not automatically qualify an agency for credentials.

- A media agency may assign one of its credentials to its on-line entity.

- An on-line entity, not associated with a traditional media agency, may qualify for one credential, subject to the following conditions:

An on-line entity may receive a credential only if its own full-time staff writes a majority percentage of that site's own material.

On-line entities that focus primarily on Virginia Tech Athletics and also sponsor message boards or chat rooms, may receive credentials provided they adhere to a policy that requires that a posted message or opinion is identified with the actual name and city of the individual.

Any online service that is recognized as an outlet intended primarily for the purpose of delivering news related to the recruitment of student-athletes will not qualify for credentials.

On-line entities will not receive photography credentials.

On-line entities (other than those identified above) registering 20,000 legitimate unique users per month in each of the past 12 months will be given first consideration.

"Real-time" transmission of digital images, audio and data, including live game play-by-play and statistics, of any home game is the exclusive property of Virginia Tech and/or its rights holder(s). "Real-time" is defined as "live continual coverage or description of an event."

Media Will Call

In most cases, credentials will be mailed. Credentials may be picked up through Friday on a game week from secretary Donna Smith at the Sports Information Office. Credentials not mailed or picked up will be held at the Will Call window located a few steps from the main entrance to the west stands of Lane Stadium/Worsham Field.

Photo Credentials

The NCAA has established a control policy to keep the field free from congestion. Only photographers on assignment and members of the television media are given photo credentials. Freelance or amateur photographers will not be issued credentials.

All photographers must work outside the 30-yard lines as prescribed by the NCAA. Photographers are not permitted in the bench area. On the front line of the sidelines, as well as in the south end zone, photographers are required to kneel. Those photographers shooting from behind the second line, as well as in the north end zone, are allowed to stand.

For those who need to transmit photos electronically, a work room for photographers is available. This room is located in the June Oblinger Shott Media Center, on the ground level beneath the new south end

zone. A member of the Sports Information Staff will be on the sidelines to lend assistance during the game.

Rights Restriction

Virginia Tech is and shall be the sole owner of any and all copyrights, intellectual property rights and proprietary rights for images, sounds and data arising from or during Virginia Tech home athletics contests.

The use of photographs, video and/or audio for purposes other than traditional news coverage is forbidden. No redistribution is permitted.

Parking

Game day media parking is available on a limited basis in a media-designated lot near the Burrows-Burleson Tennis Center. The entrance to this lot is on Tech Center Drive off of Southgate Drive. Requests for parking credentials should be submitted to Dave Smith, sports information director. If you plan to visit the Tech campus during the week, parking information is available on page 327.

Press Box Services

Complete team and individual statistics, a play-by-play, drive

chart, defensive stats and postgame coaches' quotes will be provided. An inside public address announcer keeps the media abreast of play-by-play, records that are broken and game notes. A pregame meal is served, starting approximately one and one-half hours before kickoff and refreshments are available throughout the game. Postgame stats will be faxed upon request.

Telephones

Ten long distance telephones will be located on the working press rows. These phones require collect calls or a credit card for

billing and are designated for pool use. Newspeople desiring their own telephones should submit requests to Virginia Tech CNS at (540) 231-4350. If you request your own phone, please notify the sports information office so we can give the phone company the proper location. The same applies for photographers wishing to activate a phone or ethernet line in the south end zone work room, where two pool phones and one pool ethernet line are provided. Please make your requests well in advance of the game.

Postgame Interviews

All postgame interviews take place in the June Oblinger Shott Media Center, located on the ground level of the south end zone. After a short cool-down period, Coach Frank Beamer and 7-10 of the top requested players will meet with the news media after each home game. Media members with special player requests need to make those prior to the fourth quarter.

A separate room, located directly across the hall from the Tech interview room, is available for interviews with the coaches and players from the visiting team. Directions to both interview areas will be available in the press box or through the SID Office. Media access to visiting players will be determined by the visiting SID.

Virginia Tech Web Site

Notes, releases, statistics and other pertinent information are available on Tech's official Web site (hokiesports.com). Because of easy access to information on the Web site, members of the media no longer receive weekly releases by mail. Tech's football statistics will be available on the same day of games. Notes on the upcoming game will be updated Monday afternoon.

Media who would like game notes, as well as general releases, e-mailed to them need to contact Bryan Johnston (blj@vt.edu) to be placed on the group e-mail list.

The ACC site on the Internet is available at www.theacc.com. The site contains current information on all facets of the Atlantic Coast Conference.

Just Virginia Tech, Please

While the full name of the school is Virginia Polytechnic Institute and State University, the school is commonly referred to as "Virginia Tech." Founded in 1872, as Virginia Agricultural and Mechanical College, the university changed its name to Virginia Polytechnic Institute in 1896. Fans of the athletic department, as well as media covering the Hokies, shortened the name to VPI, but it eventually became Virginia Tech. The "State University" was added in 1970 to bring the official title to what it is today.

Those covering Hokie athletics are asked to refer to the university as simply "Virginia Tech."

Virginia Tech University, VPI and SU, VPI&SU, VT or VA Tech are not recognized names and should not be used.

INAUGURAL SEASON IN THE ACC

Hokie Spirit!

Virginia Tech is proud to have two fine bands. The Marching Virginians (top left) call themselves the "Spirit of Tech." The Highty-Tighties (above) is the regimental band of the Corps of Cadets. The HokieBird (left), Tech's beloved mascot, and the cheerleaders (below) are crowd favorites. The greatest show of pride, however, comes perhaps from Tech's great fans, who are among the most loyal supporters in the nation.

What Is a Hokie?

That's a frequently asked question in Virginia Tech athletics, and the answer leads all the way back to 1896 when Virginia Agricultural and Mechanical College changed its name to Virginia Polytechnic Institute. With the change came the necessity for writing a new cheer, and a contest for that purpose was held by the student body. Senior O.M. Stull won first prize for his "Hokie" yell which is still used today. Later, when asked if "Hokie" had any special meaning, Stull explained the word was solely the product of his imagination and was used only as an attention-getter for his yell. It soon became a nickname for all Virginia Tech teams and those people loyal to Tech athletics. The official school colors — Chicago maroon and burnt orange — also were introduced in 1896. They were chosen because they made a "unique combination" not worn elsewhere at the time.
