# MEET THE COACHES

## TOM BRANDS

**Head Coach**  
**First Season**  
**University of Iowa (1992)**  
**Current Record: 16-4**

A new era in Virginia Tech wrestling began on June 9, 2004 when three-time NCAA national champion and 1996 Olympic gold medalist Tom Brands was introduced as the new head coach of the Hokie wrestling program. In his first season, he has led the Hokies to an ACC dual meet title, a school record for dual meet wins and brought in one of the nation's top recruiting classes.

Brands became the 11th man to lead the Tech program since its inception in 1920 and came to Blacksburg after spending 12 years as an assistant coach at the University of Iowa, his alma mater. While an assistant coach at Iowa, Brands helped the Hawkeyes win seven NCAA team titles and had 23 Iowa wrestlers crowned as individual national champions.

Brands brings instant credibility to the position as Tech's wrestling coach and led the Hokies into their first season in the Atlantic Coast Conference.

The Sheldon, Iowa, native won the 1996 Olympic freestyle 136.5-pound gold medal in Atlanta, Ga. There, he outscored four Olympic opponents 19-1 and beat Korea's Jae Sung Jang 7-0 in the gold medal match.

He also won a gold medal at the 1993 World Freestyle Championships in Toronto, Canada. Between 1993 and 1996, Brands was the top U.S. wrestler at his weight class and represented the United States in numerous major international events.

This past summer, he was one of three coaches for the U.S. Olympic Team in freestyle wrestling, participating in the Athens Games.

He was named NWCA Assistant Coach of the Year in 2000, and served as assistant coach for the 2002 and 2003 U.S. Freestyle World Teams. That 2003 team placed a strong second at the World Championships in New York City, led by two silver medalists.

The 2002 team was scheduled to compete in Tehran, Iran. A day before the team was to leave for the competition, the U.S. government contacted

USA Wrestling with information about a threat of violence against the team. USA Wrestling decided not to attend the World Championships because of that threat.

Brands was a member of the U.S. coaching staff at the 2001 World Championships, and has coached a number of other U.S. teams in international competition.

He was named the 2002 and 2003 Freestyle Coach of the Year by USA Wrestling and was inducted into the National Wrestling Hall of Fame in 2001.

As a competitor, Brands won two World Cup gold medals (1994 and 1995) and was the 1995 Pan American Games champion. He also claimed four U.S. Nationals titles (1993-96) and made four straight U.S. World or Olympic teams (1993-96).

Along with his twin brother, Terry, he was named 1993 USA Wrestling Athlete of the Year, the 1993 John Smith Outstanding Freestyle Wrestler and 1993 *Amateur Wrestling News* Man of the Year. Terry is the head wrestling coach at the University of Tennessee-Chattanooga.

Brands was a three-time NCAA Division I champion at the University of Iowa, where he wrestled from 1989-92 and was named Outstanding Wrestler of the 1992 NCAA Championships. He was a four-time All-American and three-time Big Ten champion, recording a career mark of 158-7-2, including an undefeated season in 1991, when he went 45-0.

Brands was a two-time placewinner in Class 2-A for Sheldon High and won the state title at 112 pounds in 1987. He finished his prep career with a 109-12 record.

Brands earned his B.S. in physical education from Iowa in 1992. He and his wife, Jeni, have two daughters, Madigan and Kinsee, and a son, Tommy.

# THE ATLANTIC COAST CONFERENCE

## The Tradition

Consistency. It's the mark of true excellence in any endeavor. However, in today's intercollegiate athletics, competition has become so balanced and so competitive that it is virtually impossible to maintain a high level of consistency.

Yet the Atlantic Coast Conference has defied the odds. Now in its 52nd year of competition, the ACC has long enjoyed the reputation as one of the strongest and most competitive intercollegiate conferences in the nation. And that is not mere conjecture, the numbers support it. Since the league's inception in 1953, ACC schools have captured 91 national championships, including 47 in women's competition and 44 in men's. In addition, NCAA individual titles have gone to ACC student-athletes 116 times in men's competition and 57 times in women's action.

## 2003-04 in Review

The 2003-04 academic year concluded with the league pocketing three more national team titles and six individual NCAA crowns. In all, the ACC has won 48 national team titles over the last 14 years.

The ACC's 2003-04 national champions were Wake Forest in field hockey, North Carolina in women's soccer and Virginia in women's lacrosse. Overall, 66 ACC teams took part in post-season play compiling a 101-66-4 (.596) record.

A total of 169 student-athletes from the ACC earned first-, second- or third-team All-America

honors this past year, including two in wrestling. In addition, the ACC produced nine national Players of the Year, two national Rookies of the Year and three national Coaches of the Year.

The ACC placed at least one team in the top 10 nationally in 17 sports. In all, 31 ACC teams finished their season with a top 10 ranking.

## The Championships

The conference will conduct championship competition in 25 sports during the 2004-05 academic year — 12 for men and 13 for women.

The first ACC championship was held in swimming on Feb. 25, 1954. The conference did not conduct championships in cross country, wrestling or tennis during the first year.

The 12 sports for men include football, cross country, soccer, basketball, swimming, indoor and outdoor track, wrestling, baseball, tennis, golf and lacrosse. Fencing, which was started in 1971, was discontinued in 1981.

Women's sports were initiated in 1977 with the first championship meet being held in tennis at Wake Forest University. Championships for women are currently conducted in cross country, volleyball, field hockey, soccer, basketball, swimming, indoor and outdoor track, tennis, golf, lacrosse, softball and rowing.

## A History

The Atlantic Coast Conference was founded on May 8, 1953, at the Sedgefield Inn near Greensboro, N.C., with seven charter members

— Clemson, Duke, Maryland, North Carolina, North Carolina State, South Carolina and Wake Forest — drawing up the conference by-laws.

The withdrawal of seven schools from the Southern Conference came early on the morning of May 8, 1953, during the Southern Conference's annual spring meeting. On June 14, 1953, the seven members met in Raleigh, N.C., where a set of bylaws was adopted and the name became officially the Atlantic Coast Conference.

Duke's Eddie Cameron recommended that the name of the conference be the Atlantic Coast Conference, and the motion was passed unanimously. The meeting concluded with each member institution assessed \$200.00 to pay for conference expenses.

On Dec. 4, 1953, conference officials met again at Sedgefield and officially admitted the University of Virginia as the league's eighth member.

The ACC operated with seven members until April 3, 1978, when the Georgia Institute of Technology was admitted. The Atlanta school had withdrawn from the Southeastern Conference in Jan. of 1964. The ACC expanded to nine members on July 1, 1991, with the addition of Florida State University.

The conference expanded to 11 members on July 1, 2004, with the addition of the University of Miami and Virginia Tech. On Oct. 17, 2003, Boston College accepted an invitation to become the league's 12th member starting with the 2005-06 academic year.
